

## The essence of television.

The CALEA compact offers compact, intuitive operation and modern technology: sophisticated panel technology with LED backlighting ensures optimum energy efficiency, while full HD resolution guarantees a sharp, detailed TV experience. With the unique front speaker system in two-way design, paired with the specially developed MetzSoundPlus technology, an impressively rich sound with clean highs and lows as well as a distinct voice intelligibility is created. It offers Internet capability via WLAN and LAN. For all those looking for compact dimensions without having to compromise on convenience and technology.
